VENUE

The conference will be held at the V.A. Belyi Metal-Polymer Research Institute of National Academy of Sciences of Belarus, 32a Kirov Street, from June 24 to 27, 2025.

REGISTRATION

Registration will be held on June 24 from 8.00 to 15.00 at the IMMS NAS of Belarus and on June 25 from 8.00 to 9.00 at the IMMS NAS of Belarus.

DIRECTIONS

To the IMMS NAS of Belarus from the railway station: trolleybuses No. 1, 5, 7, 15, 15a to the stop "ul. Karpovicha" or trolleybuses No. 10, 19 to the stop "BelGUT".

PRESENTATION OF MATERIALS

Each participant can present no more than 2 reports. To participate in the conference, it is necessary to register as a participant in the Google form, the link to which is posted on the website, before 20.05.2025. Registration includes uploading the abstract of the report, expert opinion.

REQUIREMENTS FOR THE FORMAT OF THE THESIS

Abstracts should be one page long. An electronic abstract template is available on the website <http://mpri.org.by> in the Conferences section.

The title of the paper, initials and last name of the author(s), organization, city, country should be in the title of the text. Abstracts should contain the statement of the problem, research methods, obtained results, and conclusion. The organizing committee reserves the right to make editorial edits to materials and to reject materials that do not correspond to the conference topic.

Abstracts of papers in the electronic format will be published to the opening of the conference. Full papers, upon recommendation of the organizing committee, may be published in the journals "Polymer Materials and Technologies" (Russian Science Citation Index) and Journal of Friction and Wear (Russian Science Citation Index, SCOPUS).

ACCOMMODATION

The conference organizing committee recommends that out-of-town participants stay at the following hotels: "AMAKS Hotels&Resorts" <https://gomel.amaks-hotels.ru/>, "Gomel" <https://gomel-hotel.by/>, "SOZH" <http://www.hotelsozh.by/>.

If you have any questions about booking a hotel, please contact Elena Stepanovna Bozhanova, tel. +375 (232) 340642, Mon-Fri from 9.00 to 17.00.

International Scientific and Technical Conference «Polymer Composites and Tribology» – Policomtrib-2025

Second information message

**24 - 27 June 2025
Gomel, Belarus**

THEMATICS

- physico-chemical bases of polymer composites creation and interphase interaction of components;
- structure and properties of polymer composites, methods of control, analysis, diagnostics, determination of operational durability;
- technologies of obtaining, calculation, design and efficiency of application of products from polymer composites;
- resource-saving and environmentally friendly technologies in materials science;
- friction material science;
- triboanalysis (development of the theory of friction, wear and lubrication of solid bodies);
- tribo-material science (study of properties of materials at moving interfaces; new lubricants and additives);
- tribotechnics (friction units, methods of their calculation and design), test methods and diagnostics;
- medical and biological aspects of polymer composites application;
- nanostructure systems, nanomaterials and nanotechnologies;
- fluoropolymers: technologies, research, application;
- mechanics of polymer composites and modelling;
- physics, chemistry and mechanics of surfaces, coating and film technologies.

REGULATIONS

- Plenary presentations – up to 20 minutes;
- Oral presentations – up to 10 minutes;
- Poster presentations – A1 format sheet.

The official languages of the conference are Russian and English.

The conference format is in person and by correspondence

PAYMENT

Participants must register in the Google form (before 20.05.2025).

Timely payment of the registration fee is a prerequisite for including the report in the program and participation in the conference. The registration fee is not refundable.

The registration fee includes payment for conference materials and organizational expenses (information and organizational services, preparation of conference materials, etc.).

Type of contributions	For citizens of the Republic of Belarus (BYN)	For citizens of the Russian Federation (RUB)
Personal participation	300,00 ¹ 150,00 ²	8800,00 ¹ 4400,00 ²
Participation by correspondence	50,00 ³	1500,00 ³

1 – full registration fee includes preparation of conference materials, payment of part of conference organization expenses, coffee break;

2 – reduced registration fee for students, master's degree students, and postgraduate students includes preparation of conference materials, payment of part of conference organization expenses, coffee break. To confirm payment, it is necessary to confirm student status by providing a certificate from the place of study.

3 – registration fee includes publication of conference materials in the electronic collection of abstracts.

Participants pay for their accommodation at the Hotel and meals themselves.

For questions regarding the execution of an agreement for participation in the conference, please contact the conference secretary, Viktoria Shumskaya, tel. +375 (29) 150 17 32.
